

MeshLib::CVertex

```
graph BT; A[MeshLib::CRicciFlowVertex] --> B[MeshLib::CVertex];
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a white box labeled 'MeshLib::CRicciFlowVertex'. A blue arrow points upwards from this box to a gray box at the top labeled 'MeshLib::CVertex', indicating that 'MeshLib::CRicciFlowVertex' inherits from 'MeshLib::CVertex'.
